

# Let us entertain<sup>v</sup> you! *and inform*

Larry Tenopir and Joe Huerter began their partnership in 1985. Over the years they have each been involved in many civic groups and other organizations. A tradition that has now been followed by the associates of the Law Firm. Larry and Joe have also had the pleasure of speaking at a number of club meetings on a variety of topics we are pleased to announce a new program topic we are offering.

*The "Top 10 Myths" program was developed by Joe Huerter and is based upon his observations and interactions with clients, potential clients and others.*

Joe has been actively involved in the area of family law throughout his years of practice. Most notably, he has served for several years as the Chair of the Family Law section of the Kansas Association for Justice. The program is a powerpoint format and will be entertaining, informative and even amusing at times. If you would like to schedule Joe for a presentation to your group, please call us at 785/233-9467.
